This document is hereby regraded to
CONFIDENTIAL in accordance with the
 letter of 16 October 1978 from the
 Secretary of Defense to the
 Chairman of the United States
 Select Committee on Assassinations.
 Date: 20-2

1. Investigations reveal that the 16 men and women arrested on 15 November 1946 at the home of Professor Munir Amin Malati have a long record of subversive activities. Among these are:

- (a) Professor Munir Amin Malati, dismissed teacher of Fuad I University;
(b) Abd-al-Rahman al-Nasir, private teacher;
(c) Ahmad Shukri Salim, teacher of Upper Egypt;
(d) Mustafa al-Ayudi, teacher of Sa'diye school.

The above are members of Dar al-Abbath al-Ilmiyyah (Educational-Cultural Home), which was dissolved by order of the Council of Ministers on 10 July 1946, in the big anti-communist drive.

2. Also present were Zuhayr Iskaroos Mikhail, Coptic teacher who was a member of Dar Nashr Sukhafa al-Haditha, another cultural institution closed in the July 1946 drive, and Miss Latifa al-Zayat.
3. That centrally directed undercover communist cells are in continued operation appeared certain when the police found on each of the suspects a copy of the pamphlet distributed by Assad and Asma Halim on 14 November. The law provides punishment only in case that more than one copy of propaganda literature is seized on a person. For this reason and for the inconclusive evidence in the case, all 16 suspects were released on 19 November 1946.
4. A translation of the pamphlet described above, signed by the old-established Egyptian Movement for National Liberation, which is at present conducting its activities secretly, follows:

13th November 1918 — 13th November 1946

Laborers, Farmers! Students and cultured men! Minor merchants and officials! Ladies! Army men and policemen!

Egyptians!

You have been suffering from the tyranny of English imperialism for 64 years. Your state became worse day after day. Today,

your fate in life is poverty, illness, ignorance and death. Why have you reached this degrading state? Because certain people regard you as goods that can be sold and bought. Those who negotiated gave up your rights and, in cheating you, they have cheated the country. Because you are the victim of those treacherous persons who want to deprive you of your sacred right in your struggle for liberty, independence, and happiness; and in so doing, they pretend that they speak for you and act in your interest.

Down with imperialism, which is responsible for your misery and ignorance.

Egyptian People!

Today, the treacherous people are endeavoring to complete the biggest bargain in their criminal life. You look at them; while your hands are tied together in the shade of Sidqi's terrorist rule; while they surrender themselves to your first enemy, the imperialist. But you know that independence cannot be granted and cannot be realized through negotiations. Down with the negotiations, and long live the evacuation.

The Sudanese people are suffering in the same manner as you do. They are also struggling like you. Today, you see, in Egypt and the Sudan, the tricks and maneuvers of those who pretend patriotism in order to destroy and shatter your united struggle against imperialism. But, in spite of terrorism, false propaganda and unveiled maneuvers, the treacherous persons fear the wakefulness of the people. This is why the treaty has not been signed until now.

Egyptian People!

You cannot be freed by negotiating with the imperialist. Your independence will not be realized by those treacherous people. You will not feel any happiness in the hands of the blood-suckers.

Egyptian People!

~~CONFIDENTIAL~~

Your fate is in your hands. The only way to liberty, independence and happiness is the united struggle with the Sudanese against imperialism and its supporters. You will not be liberated unless the Sudan is liberated with you. The Sudanese will never participate with you in your struggle against imperialism, unless you have guaranteed their right to decide their fate after liberation.
